

## Section 3 - External Auditor Report and Certificate 2021/22

In respect of

**Sonning Common Parish Council**

### 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor report 2021/22

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

It was noted on review that the announcement and commencement of the Period for Public Rights was before the approval of the Annual Governance and Accountability Return. Regulation 12 – 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing, and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that

It was noted on the prior year External Audit Report that the Council had not published the minutes for the historical period required on its web site. We note this has been corrected but as the point was only raised and corrected during the year, the Council was not compliant for part of the year. As a result, the Council should have answered 'No' to Assertion 3 of the Annual Governance Statement.

On submission of the AGAR, Section 1 did not include the Council's web site address as is required by the legislation and proper practices. On review of the council's completed forms this box was not showing. This seems to be due to a page sizing issue as it appears towards the bottom of a page and other details, such as the form name and page numbers, are also missing. In future can the council please ensure the pages have printed in full so they can be sure to provide all of the necessary information.

Other matters not affecting our opinion which we draw to the attention of the authority:

**NONE**

### 3 External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
