

COVID-19 INSTRUCTIONS FOR PLAY AREA USERS

Users are reminded that they use this play area at their own risk.

Please follow this guidance:

- Sanitise equipment touch points before and after use.
- Sanitise children's hands before and after use.
- Maintain social distancing.
- No more than 10 children at a time.
- One user per piece of equipment at a time.
- No eating in the park.
- Avoid touching your face, mouth or eyes.
- Coughs and sneezes in tissues. Dispose of these carefully.
- Avoid mouth contact with equipment.
- Do not enter if you have any symptoms of Coronavirus.
- One adult family member to accompany children.
- At busy times, only use the play area for 30 minutes to allow others to enter after you.
- Dispose of all litter responsibly, especially used protective wear such as face coverings or gloves. Ideally, take this home. Or use our litter bins if there is room.

Remember: Your positive actions will save lives!
